### **Metatron “Slays” Goliath**

*Content Deal Brings Another 4,000 Hours of Premium Movies and TV to Mobile Platforms*

San Diego, CA – January 22, 2009 – Metatron Inc. (OTC Pink Sheets: MRNJ) today announced that it has entered into an agreement with Goliath Motion Picture Promotions Inc. of Los Angeles, CA to bring over 4,000 hours of premium television programming to the iPhone and Droid mobile platforms.

Goliath Promotions produces and distributes motion pictures and television series for international distribution. As a licensed, international content provider they deliver programming to premium pay channels in Europe, as well as one of the largest video-on-demand providers distributing to HBO, Showtime and Starz.

Goliath has ongoing business relationships as a content provider to television's various broadcast networks. As a production company, Goliath continues to engage in original programming in both original development and co-production ventures. They currently have 4,000 hours of programming in syndication world-wide.

“We now have over 12,000 hours of exclusive, premium video content for the iPhone platform,” said Joe Riehl, Metatron CEO. “Since our inception in June, we have grown at an incredible rate, and we are really just getting started. There are an awful lot of deals in the pipeline, and we are at the table with some of the biggest names in our industry. Stay tuned!”

#### **About Goliath Motion Picture Promotions**

We are licensed content providers for network here in the US and abroad. We work hand in hand with networks around the globe in order to assure every program finds an appropriate platform for distribution. For more information, please visit <http://goliatharts.com>

### **Forward-Looking Statements**

*Any statements made in this press release which are not historical facts contain certain forward-looking statements, as such term is defined in the Private Litigation Reform Act of 1995, concerning potential developments affecting the business, prospects, financial condition and other aspects of the company to which this release pertains. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results of the specific items described in this release, and the company's operations generally, to differ materially from what is projected in such forward-looking statements. Although such statements are based upon the best judgments of management of the company as of the date of this release, significant deviations in magnitude, timing and other factors may result from business risks and uncertainties including, without limitation, the company's dependence on third parties, general market and economic conditions, technical factors, the availability of outside capital, receipt of revenues and other factors, many of which are beyond the control of the company. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of such statements, and we disclaim any obligation to update information contained in any forward-looking statement.*
