“The Safety Minute” Now Available on the iPhone

eBook by Leading Personal Security Expert Robert Siciliano

San Diego, CA – February 23, 2010 – Metatron Inc. (OTC Pink Sheets: MRNJ) today announced that it has released “The Safety Minute - Living on High Alert – How to Take Control of Your Personal Security and Prevent Fraud” by leading security expert and media personality Robert L. Siciliano. This exciting new eBook is available now on iTunes and compatible with all iPhone, iPad and iPod touch devices.

Robert Siciliano is fiercely committed to informing, educating, and empowering Americans so they can be protected from violence and crime in the physical and virtual worlds. His “tell it like it is” style is sought after by major media outlets, executives in the C-Suite of leading corporations, meeting planners, and community leaders to get the straight talk they need to stay safe in a world in which physical and virtual crime is commonplace.

Siciliano’s media credentials include hard hitting and provocative contributions to The Today Show, CBS Early Show, CNN, MSNBC, CNBC, Fox News, Inside Edition, EXTRA, Tyra Banks, Sally Jessie, Montel, Maury, Howard Stern, USA Today, Forbes, BusinessWeek, Cosmopolitan, Good Housekeeping, Reader’s Digest, Consumer Digest, Smart Money, the New York Times, the Washington Post, and many more.

“I’m always on top of what is new and ahead of what is next with respect to all things personal security,” Siciliano says.

"Buy this book, it has a lot of great tips!" said Montel Williams of The Montel Williams Show.

"This book should be required reading for everybody who lives by the FBI's one-minute crime clock. And that’s everyone!" said Bob Pence, Retired FBI Executive, Security Consultant, Denver, CO.

Forward-Looking Statements

Any statements made in this press release which are not historical facts contain certain forward-looking statements, as such term is defined in the Private Litigation Reform Act of 1995, concerning potential developments affecting the business, prospects, financial condition and other aspects of the company to which this release pertains. These forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause our actual results of the specific items described in this release, and the company's operations generally, to differ materially from what is projected in such forward-looking statements. Although such statements are based upon the best judgments of management of the company as of the date of this release, significant deviations in magnitude, timing and other factors may result from business risks and uncertainties including, without limitation, the company's dependence on third parties, general market and economic conditions, technical factors, the availability of outside capital, receipt of revenues and other factors, many of which are beyond the control of the company. Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance, or achievements. Moreover, neither we nor any other person assumes responsibility for the accuracy and completeness of such statements, and we disclaim any obligation to update information contained in any forward-looking statement.
