Metatron to Release Michael Jackson Live Concert on All Mobile Platforms

appMovie Contains Exclusive Material, Not Previously Released in the United States

SAN DIEGO, CA--(Marketwire - 03/5/10) - Metatron Inc. (Pinksheets: [MRNJ](#) - [News](#)) today announced that it will release the appMovie “Michael Jackson HIStory World Tour Live” concert on iTunes, Android and Blackberry under license from Soul Legends Ltd and Darryl Payne Productions Inc.

The concert was recorded from the third and final world concert tour by Michael Jackson as a solo artist. The tour, which grossed a total of \$165 million, included a total of 82 concerts with a record-breaking attendance of 4,500,000 fans. Never before seen in the US, this is the first and only High-Definition recording of Michael Jackson performing all of his hits live. Recorded while he was at the peak of his career, Jackson puts on an amazing performance. The video quality is extremely high, was shot with fifty cameras and is 2-1/2 hours in length. This app also contains 500 rare pictures.

Joe Riehl, CEO of Metatron said, “Michael Jackson is the most successful entertainer of all time and his music and videos continue to be top sales performers in all formats. This concert video is exclusive to our subsidiary i-Mobilize and has not been released in any format in the United States until now. We are proud to be the first to release this incredible video from one of the world’s truly great all-time performers.”
